

# LONE STAR HEALTHY STREAMS

<http://lshs.tamu.edu>

The Lone Star Healthy Streams program educates Texas livestock producers and landowners on how to best protect Texas waterways from bacterial contributions associated with livestock production and feral hogs. Lunch will be provided for \$10.

**November 15, 2016: 10:00am-3:00pm**

Hamilton County Extension Conference Room  
101 E. Henry St.  
Hamilton, TX 76531

**\*\*3 General CEUs available for pesticide applicators\*\***

Workshop presentations will focus on watershed health of the Leon River and will discuss basic watershed function, water quality, and specific best management practices that can be implemented to help minimize bacterial contamination originating from beef cattle, horses, and feral hogs. Please RSVP by November 12th.

For more information and to RSVP for the workshop contact the Matt Brown at 979-862-8072,  
or by going to:
